## QUESTIONS INTERVIEWERS ASK STUDENTS AND NEW GRADUATES

How would you answer each of the following questions if asked during the interview? Consider role playing with a friend to practice.

### ***About You***

- Take me through your résumé
- What do you consider to be your greatest strength? Your greatest weakness?
- How might a friend or past supervisor describe you?
- How would you describe yourself differently or beyond that?
- What was your favorite summer/part-time job? Why?
- How do you define success?
- What do you do for fun / in your free time?

### ***Academic Preparation***

- Why did you choose to attend [name of your College]?
- What led you to choose your field of major study?
- How has your college experience prepared you for this career?
- What has been most rewarding thus far?
- Do you think your grades are a good indication of your academic achievement?
- How do you think your extra-curricular activities are transferrable to your career/personal development?
- How would you describe the ideal job for you following graduation?

### ***Career Aspirations***

- What are your long-range and short-term goals for yourself? How did you set them?
- Describe the job or activity that has had the greatest impact on your career goals.
- Tell me what you learned from your previous jobs and internships.
- What qualifications do you have that make you think that you will be successful in this career?
- What two or three accomplishments have given you the most satisfaction?
- What has been your greatest achievement?
- Why do you think you'll be successful in your field?
